

## ABSTRACT

The abstract (in one paragraph of 150 words or less) should state briefly the purpose of the research, the essential new information, the principal results and major conclusions. The abstract must be able to stand-alone and references to the manuscript should therefore be avoided. Extended Abstracts must be written in English. The use of “Arial” font, smaller than size 28pt is not recommendable.

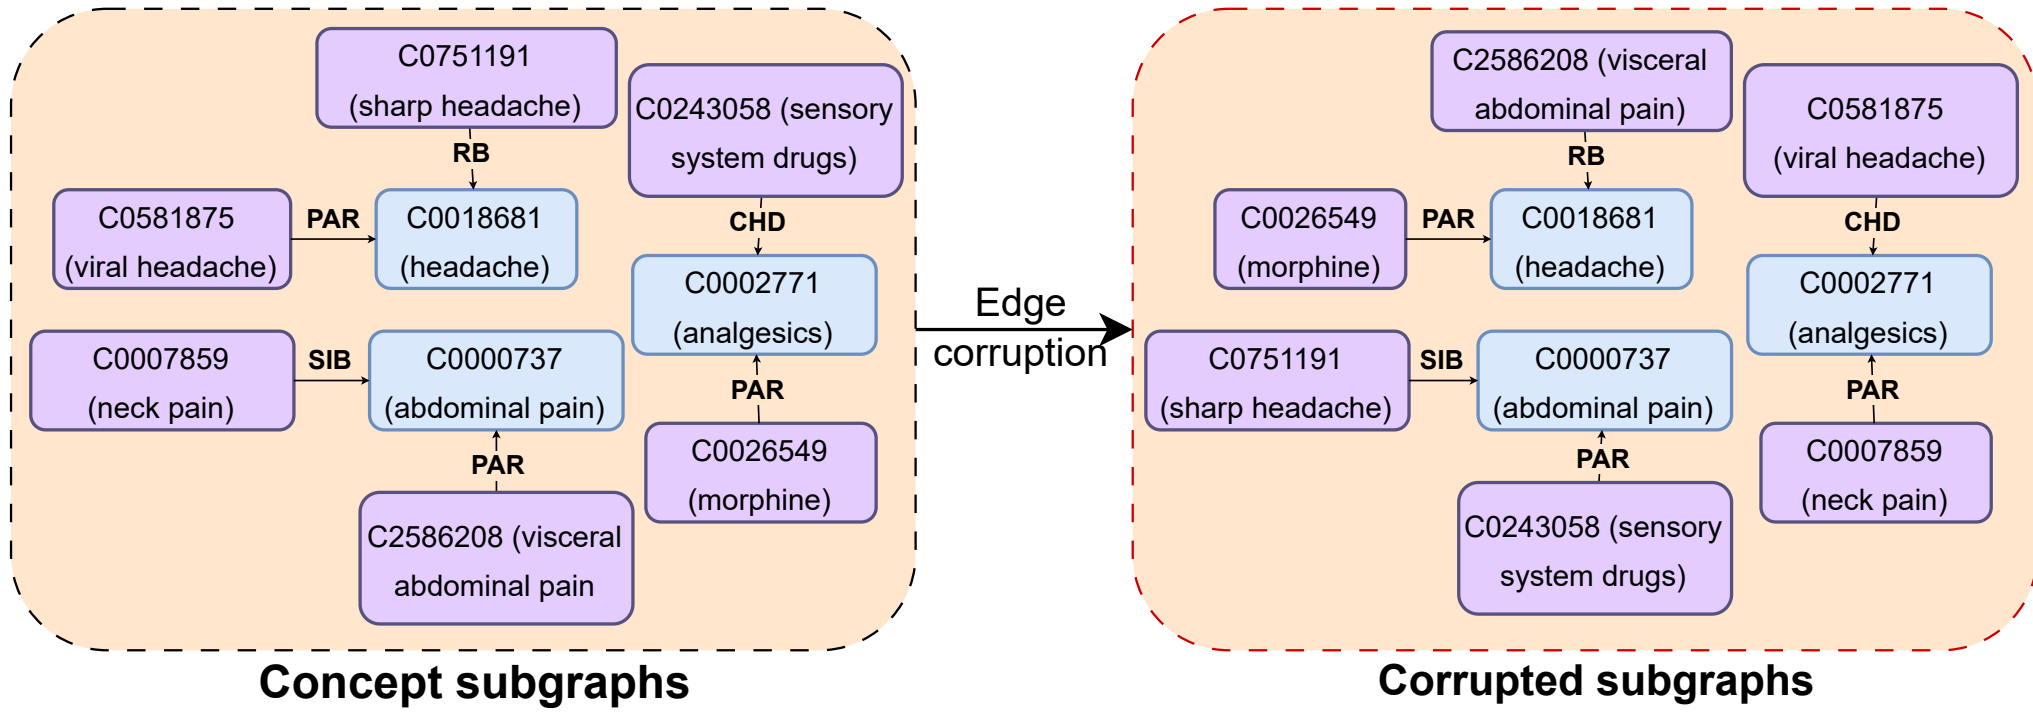

**Keywords:** please list a maximum of 5 keywords separated by commas and full stop at the end.
